Rpt Date / Time: 7/7/2026 / 7:18 Follow-Up Report Freres, Jeffery #085

On 07/06/26 Detective Escamilla and I met with staff at the Grand Rapids Art Museum. I provided them with a flash drive and they added video of the theft, and previous video of the same suspect several days earlier possibly casing the Museum. The video files were zipped and added to case files.

Rpt Date / Time: 8/3/2026 / 10:49 Follow-Up Report Escamilla, Juan #072

7/6/2026

I was assigned to this case and reviewed the report. I submitted an ISR to obtain the video of the incident.

7/7/2026

VIDEO REVIEW

I reviewed the video obtained by Detective Freres. The video shows the male walking on the third floor all by himself. His face is not covered but he is wearing a hat. After some time, he approaches the sketch and pulls it off the wall. He also pulls the display tag next to the sketch. The male attempts to flee the scene through the stairs. It appears he sets off the alarm. He then runs down the common stairs. He exits the property through the Monroe Center St NW side door. He runs eastbound on Monroe Center St NW and then northbound on Ottawa Ave NW.

VIDEO CANVAS

I walked around the downtown area near the scene of the crime. I was looking for cameras around the intersection of Ottawa Ave NW and Monroe Center St NW. I saw there was a camera attached to the property at Cinco de Mayo overlooking this intersection.

I contacted the owner and reviewed the video. I was not able to see the male fleeing the scene from this angle.

I contacted the branch manager at Macatawa Bank, located at 116 Ottawa Ave NW. We reviewed the video together. I located the male fleeing the scene on the south sidewalk on Lyon St NW. I saw there was a camera attached to the property at Independent Bank. I was provided with contact information for the property owner of 116 Ottawa Ave NW who may have more cameras available that Macatawa Bank did not have access to. I thanked him for his time and efforts.

I went to the Ferris University campus. There are cameras that overlook Fountain St NW and Ionia Ave NW. I contacted security and was escorted to their room to review video. I observed the male running on the south sidewalk of Fountain St NW. He crosses the intersection at Ionia Ave NW. The male runs directly north of 82 Ionia Ave NW. He is last seen headed eastbound towards Division Ave S before he is no longer captured on camera.

I attempted contact at Independent Bank at the intersection of Ottawa Ave NW and Fountain St NW. The branch was closed. I walked to the branch located nearby on Monroe Center St NW. I contacted the branch manager, [redacted]. He called [redacted] and the situation was explained to him. I was told they would look into this incident to see what they had on their cameras. I provided [redacted] with my business card so [redacted] could reach out to me once he obtained video.

I was contacted by [redacted] over the phone. He informed me they had video of the male crossing underneath their cameras. I sent [redacted] a link through Axon and he uploaded the video so I could store it as evidence in Axon.

7/20/2026

POTENTIAL SUSPECT - MIKOLAI STASIEULEWICZ

Throughout the course of my investigation I discovered the male had stolen or attempted to steal from other jurisdictions. Muskegon PD was one of the jurisdictions that had an attempt at one of their buildings. The male was not successful, however, an investigative lead was developed for the possible identity of the suspect. I contacted Muskegon PD Detective Merkins (report MU2610025).

Detective Merkins provided me with a name of Mikola Stasiuelwicz. He was seen entering one of their museums and attempted to steal from them, but was not successful. He fled the scene on foot and got into a vehicle, a white 1999 Lexus ES300 with Michigan registration [redacted] The vehicle [redacted]

I drove over to this address and contacted [redacted] He confirmed the vehicle was his and told me that he had sold it [redacted] Mikolai, about three months ago from this date. [redacted] confirmed that Mikolai would be the only person driving it. He told me Mikolai works as a

delivery contractor [redacted]

I showed [redacted] some pictures where Mikolai had stolen from a church in the downtown area of Grand Rapids. These photos were of the same male that stole the art piece in this case. [redacted] confirmed it was Mikolai. I asked [redacted] if Mikolai had returned to this house in Ada. He said yes, and I asked if he had brought some paintings with him. [redacted] escorted me to the garage and allowed me to look at the paintings. I did not see the sketch stolen in this case. [redacted] told me these were old paintings that Mikolai had painted and had brought to and from this location.

[redacted] provided me with a phone number for Mikolai. He also gave the address of where Mikolai was residing [redacted]. I provided [redacted] with my business card so he could call me if he found out anything else. I asked him not to call Mikolai and inform him I was looking for him, as I wanted to get a statement from Mikolai.

This interaction with [redacted] was recorded on my body worn camera.

[redacted]

I attempted to contact Mikolai at this address. I did not observe the Lexus in the driveway and the lights were turned off. No further contact has been made at this point.

7/28/2026

I was contacted by the FBI and informed there have been several other places Mikolai had stolen from. They would be collecting reports from various agencies to bundle the investigation at the federal level. This report and case were turned over to them so they could continue with their investigation.

8/3/2026

On 7/30/2026 I was notified by Officer Stuart that Mikolai was found deceased at [redacted]. This was confirmed by the medical examiner. The stolen art was recovered at the house and turned over to the FBI.

Case closed 02.

APPEALING A DENIAL OR PARTIAL DENIAL

Sec. 10. (1) If a public body makes a final determination to deny all or a portion of a request, the requesting person may do 1 of the following at his or her option:

(a) Submit to the head of the public body a written appeal that specifically states the word "appeal" and identifies the reason or reasons for reversal of the denial.

(b) Commence a civil action in the circuit court, or if the decision of a state public body is at issue, the court of claims, to compel the public body's disclosure of the public records within 180 days after a public body's final determination to deny a request.

(2) Within 10 business days after receiving a written appeal pursuant to subsection (1)(a), the head of a public body shall do 1 of the following:

(a) Reverse the disclosure denial.

(b) Issue a written notice to the requesting person upholding the disclosure denial.

(c) Reverse the disclosure denial in part and issue a written notice to the requesting person upholding the disclosure denial in part.

(d) Under unusual circumstances, issue a notice extending for not more than 10 business days the period during which the head of the public body shall respond to the written appeal. The head of a public body shall not issue more than 1 notice of extension for a particular written appeal.

(3) A board or commission that is the head of a public body is not considered to have received a written appeal under subsection (2) until the first regularly scheduled meeting of that board or commission following submission of the written appeal under subsection (1)(a). If the head of the public body fails to respond to a written appeal pursuant to subsection (2), or if the head of the public body upholds all or a portion of the disclosure denial that is the subject of the written appeal, the requesting person may seek judicial review of the nondisclosure by commencing a civil action under subsection (1)(b).

(4) In an action commenced under subsection (1)(b), a court that determines a public record is not exempt from disclosure shall order the public body to cease withholding or to produce all or a portion of a public record wrongfully withheld, regardless of the location of the public record. Venue for an action against a local public body is proper in the circuit court for the county in which the public record or an office of the public body is located has venue over the action. The court shall determine the matter de novo and the burden is on the public body to sustain its denial. The court, on its own motion, may view the public record in controversy in private before reaching a decision. Failure to comply with an order of the court may be punished as contempt of court.

(5) An action commenced under this section and an appeal from an action commenced under this section shall be assigned for hearing and trial or for argument at the earliest practicable date and expedited in every way.

(6) If a person asserting the right to inspect, copy, or receive a copy of all or a portion of a public record prevails in an action commenced under this section, the court shall award reasonable attorney's fees, costs, and disbursements. If the person or public body prevails in part, the court may, in its discretion, award all or an appropriate portion of reasonable attorneys' fees, costs, and disbursements. The award shall be assessed against the public body liable for damages under subsection (7).

(7) If the court determines in an action commenced under this section that the public body has arbitrarily and capriciously violated this act by refusal or delay in disclosing or providing copies of a public record, the court shall order the public body to pay a civil fine of $1,000.00, which shall be deposited into the general fund of the state treasury. The court shall award, in addition, in addition to any actual or compensatory damages, punitive damages in the amount of $1,000.00 to the person seeking the right to inspect or receive a copy of a public record. The damages shall not be assessed against an individual, but shall be assessed against the next succeeding public body that is not an individual and that kept or maintained the public record as part of its public function.

APPEALING A FEE

Sec. 10a. (1) If a public body requires a fee that exceeds the amount permitted under its publicly available procedures and guidelines or section 4, the requesting person may do any of the following:

(a) If the public body provides for fee appeals to the head of the public body in its publicly available procedures and guidelines, submit to the head of the public body a written appeal for a fee reduction that specifically states the word "appeal" and identifies how the required fee exceeds the amount permitted under the public body's available procedures and guidelines or section 4.

(b) Commence a civil action in the circuit court, or if the decision of a state public body is at issue, the court of claims, for a fee reduction. The action must be filed within 45 days after receiving the notice of the required fee or a determination of an appeal to the head of a public body. If a civil action is commenced against the public body under this

subdivision, the public body is not obligated to complete the processing of the written request for the public record at issue until the court resolves the fee dispute. An action shall not be filed under this subdivision unless 1 of the following applies:

(i) The public body does not provide for appeals under this subdivision (a).

(ii) The head of the public body failed to respond to a written appeal as required under subsection (2).

(iii) The head of the public body issued a determination to a written appeal as required under subsection (2).

(2) Within 10 days after receiving a written appeal under subsection (1)(a), the head of a public body shall do 1 of the following:

(a) Waive the fee.

(b) Reduce the fee and issue a written determination to the requesting person indicating the specific basis under section 4 that supports the remaining fee. The determination shall include a certification from the head of the public body that the statements in the determination are accurate and that the reduced fee amount complies with its publicly available procedures and guidelines and section 4.

(c) Uphold the fee and issue a written determination to the requesting person indicating the specific basis under section 4 that supports the required fee. The determination shall include a certification from the head of the public body that the statements in the determination are accurate and that the fee amount complies with the public body's publicly available procedures and guidelines and section 4.

(d) Issue a notice extending for not more than 10 business days the period during which the head of the public body must respond to the written appeal. The notice of extension shall include a detailed reason or reasons why the extension is necessary. The head of the public body shall not issue more than 1 notice of extension for a particular written appeal.

(3) A board or commission that is the head of a public body is not considered to have received a written appeal under subsection (2) until the first regularly scheduled meeting of that board or commission following submission of the written appeal under subsection (1)(a).

(4) In an action commenced under subsection (1)(b), a court that determines the public body required a fee that exceeds the amount permitted under its publicly available procedures and guidelines or section 4 shall reduce the fee to a permissible amount. Venue for an action against a local public body is proper in the circuit court for the county in which the public record or an office of the public body is located. The court shall determine the matter de novo, and the burden is on the public body to establish that the required fee complies with its publicly available procedures and guidelines and section 4. Failure to comply with an order of the court may be punished as contempt of court.

(5) An action commenced under this section and an appeal from an action commenced under this section shall be assigned for hearing and trial or for argument at the earliest practicable date and expedited in every way.

(6) If the requesting person prevails in an action commenced under this section by receiving a reduction of 50% or more of the total fee, the court may, in its discretion, award all or an appropriate portion of reasonable attorney's fees, costs, and disbursements. The award shall be assessed against the public body liable for damages under subsection (7).

(7) If the court determines in an action commenced under this section that the public body has arbitrarily and capriciously violated this act by charging an excessive fee, the court shall order the public body to pay a civil fine of $500.00, which shall be deposited in the general fund of the state treasury. The court may also award, in addition to any actual or compensatory damages, punitive damages in the amount of $500.00 to the person seeking the fee reduction. The fine and any damages shall not be assessed against an individual, but shall be assessed against the next succeeding public body that is not an individual and that kept or maintained the public record as part of its public function.

(8) As used in this section, "fee" means the total fee or any component of the total fee calculated under section 4, including any deposit.

Sec. 10b. If the court determines, in an action commenced under this act, that a public body willfully and intentionally failed to comply with this act or otherwise acted in bad faith, the court shall order the public body to pay, in addition to any other award or sanction, a civil fine of not less than $2,500.00 or more than $7,500.00 for each occurrence. In determining the amount of the civil fine, the court shall consider the budget of the public body and whether the public body has previously been assessed penalties for violations of this act. The civil fine shall be deposited in the general fund of the state treasury.
